The history of college in a nutshell:

The college was established in 1946 with the dedicated effort of Ray Bahadur Choudhury Narasingh Charan Mohapatra of Kodandapur. First established by private efforts, the college was taken over by the government of Odisha in 1962. This college is affiliated to Utkal University. The college was conferred upon autonomous status in 1999-2000. The institution provides co-education to both boys and girls. This is a rural based college and the girls outnumber the boys.

The college has the main administrative building. Two blocks (one old and one new) for faculties of sciences, arts block, commerce block, two auditoriums, staff quarters, two ladies hostels, two boys hostels, principal's residence, open gallery, play ground a hall for alumni.

1. ADMINISTRATIVE BUILDING

The administrative building of the college is the oldest of all and it looks appreciably beautiful now after renovation. The building has the following sections and few departments are also running within it. It has three little gardens with few tall trees which fulfills the demands of a green campus. And in the winter the garden becomes a photographer's choice and a selfie-point for many.

Many administrative sections and departments are located in the main administrative building :
